Farmmi, Inc., an agriculture products supplier in China, today announced the Company's subsidiary Zhejiang Forest Food Co., Ltd., won a multi-product order from a long-term customer for its popular dried whole and sliced mushrooms, and dried black fungus. The customer will export Farmmi's products to the United States.

Ms. Yefang Zhang, Farmmi's Chairwoman and CEO, commented, "We continue to expand our business by providing high-quality food products, with the support of long-term supply chain relationships. Investments we have made in our manufacturing and logistics give us a significant competitive advantage and add confidence to our optimistic business outlook. We are at an inflection point in Farmmi's development and expect to drive continued growth as we benefit from our increased scale and strong global demand trends in culinary uses and traditional Chinese medicine."

About Farmmi, Inc.
