The CEO of Grains & Food business segment of Bühler AG formally hands over the Rupshi Flour Mill to City Group top management in Dhaka, Bangladesh. The Rupshi Flour Mill, one of the largest flour mills in the world, was installed in a record 24 months and is already in full operation.

The handover ceremony took place at City Group's production plant on the bank of the Shitalakshya River, 30 kilometers outside of the capital, Dhaka. From the Bühler side it was attended by Johannes Wick, CEO of Grains & Food at Bühler and Stefan Bürgi, Project Execution Team Manager. From City Group it was attended by the Chairman Mr. Fazlur Rahman and his son and Director of the Group Mr. Md. Hasan, and Mr. Imran Uddin Director of Planning and Business Development. The ceremony was also attended by the Swiss Ambassador to Bangladesh H.E. Nathalie Chuard.

City Group's Director Md. Hasan said: "We are very happy to have one of the largest flour mills on our site. And we want to congratulate Bühler for being a partner on our journey, to provide affordable nutrition
