Breast cancer awareness takes centre stage as Hilton properties in Malaysia unveil pinktober celebration through the lens of mindful eating

Hilton properties across Malaysia, including Hilton Kuala Lumpur, DoubleTree by Hilton Putrajaya Lakeside, DoubleTree by Hilton Damai Laut Resort, and DoubleTree by Hilton Shah Alam i-City are joining hands this October in solidarity with Breast Cancer Awareness Month.

Reflecting Hilton's commitment to mindful eating, a specially curated all-pink three-tier afternoon tea will be offered. This delightful culinary experience incorporates ingredients like berries and beetroots, renowned for their antioxidants and cancer-fighting properties. Hilton properties in Malaysia are dedicated to raising awareness and showing support for the pink movement during this important month through informative social media posts, various culinary offerings and more.

Throughout October, culinary delights in Hilton properties across Malaysia will be infused with shades of pink, symbolising unity, hope, and support for breast cancer fighters and survivors. Hilton invites guests and community members alike to participate in the Pinktober. Together, we believe in the power of unity and compassion, and through our Sip, Savour and Support campaign, we aim to make a real difference in the fight against breast cancer, one elegant banquet at a time. Join us in embracing the spirit of hope and solidarity as we celebrate life and contribute to a brighter, healthier future for all.
