This groundbreaking beverage features a carefully curated selection of ingredients, including Organic Cucumber Juice, Organic Celery Juice, Organic Broccoli, Organic Kale, Organic Spinach, Organic Orange, Organic Banana, Organic Papaya, Organic Shiitake Mushrooms, and Organic Jerusalem Artichoke

BEAM be amazing unveiled Greens On The Go®. This revolutionary patent pending ready-to-drink greens product, meticulously crafted over nearly two years, sets a new standard in convenience, nutrition, and flavour.

"Greens On The Go represents a bold leap forward for BEAM be amazing, introducing a completely innovative category of RTD beverages that seamlessly blends convenience, wellness, and unparalleled taste," remarked Russell Saks, CEO of BEAM be amazing.

Greens On The Go® epitomizes the next evolution of RTD beverages in the health and wellness landscape. Each can of BEAM Greens has antioxidants, immune and gut support, electrolytes, essential vitamins, minerals, and hydration support, all in a convenient ready-to-drink format.

Containing a blend of 10 fruits and vegetables per can, Greens On The Go® is a testament to BEAM be amazing's commitment to product innovation. Free from added sugars and only 25 calories per serving, this groundbreaking beverage features a carefully curated selection of ingredients, including Organic Cucumber Juice, Organic Celery Juice, Organic Broccoli, Organic Kale, Organic Spinach, Organic Orange, Organic Banana, Organic Papaya, Organic Shiitake Mushrooms, and Organic Jerusalem Artichoke.
