The launch of The Coffee Bean & Tea Leaf capsules compatible with Nespresso® Original machines marks an exciting milestone

The launch of The Coffee Bean & Tea Leaf capsules compatible with Nespresso® Original machines marks an exciting milestone

The Coffee Bean & Tea Leaf, a global speciality coffee & tea house, announced the launch of its range of The Coffee Bean & Tea Leaf coffee capsules that are compatible with Nespresso Original machines, giving coffee lovers around the world a new way to enjoy the signature café taste and quality of The Coffee Bean & Tea Leaf coffee they love – all from the comfort of their homes.

A perfect blend of convenience and flavour, the capsules are crafted with The Coffee Bean & Tea Leaf's speciality coffee beans and are available in a variety of roasts and flavours, including Colombia, Bali Blue Moon, Costa Rica, Ethiopia, and their signature espresso, the World Blend '63.

"At The Coffee Bean & Tea Leaf, we've been passionate about bringing exceptional coffee experiences to everyone since 1963," said John in de Braekt, CEO, of The Coffee Bean & Tea Leaf. "That's why we're excited to launch our new coffee capsules. This curated selection lets coffee lovers go on a global flavour journey to discover the world one cup at a time – all from the comfort of their own homes."

The launch of The Coffee Bean & Tea Leaf capsules compatible with Nespresso Original machines marks an exciting milestone for The Coffee Bean & Tea Leaf, rounding out its current single-serve offerings which include K-Cup capsules as well as CBTL Coffee capsules specially designed for the Caffitaly CBTL Single Serve Brewing System.

At-home coffee consumption is on the rise, as many find comfort and joy in the ritual of making and enjoying a cup of coffee at home, said Anshul Laroia, Chief CPG Growth Officer, The Coffee Bean & Tea Leaf.
