Grass Fed Foods, the highly innovative and fast-growing grass-fed beef platform, announces the appointment of Kevin Pallaoro as the new president. Pallaoro, who previously served as Chief Financial Officer, will now oversee the renowned Teton Waters Ranch and Sunfed Ranch brands. With his extensive knowledge of the business, Pallaoro is set to drive significant growth and innovation at Grass Fed Foods.

Grass Fed Foods is dedicated to providing healthy, nutritious foods made with clean ingredients, ensuring that everyone has access to food that supports a healthy lifestyle. The company is unwavering in its commitment to grass-fed products and in supporting the hardworking families who desire them.

"Our dedication to quality and nutrition is evident in every product we offer," said Pallaoro. "Grass Fed Foods is a leader in the industry, ready for substantial growth and product expansion while maintaining our high standards."
