Angel Yeast and BakeMark will team up to introduce three product lines featuring over 40 products

Angel Yeast and BakeMark will team up to introduce three product lines featuring over 40 products

Angel Yeast, the world's leading yeast manufacturer, joined hands with BakeMark to unveil a variety of product lines under the name BakeMark By Angel at Bakery China 2024, the 26th edition of the largest exhibition in the bakery and confectionery industry worldwide, held this year in Shanghai. BakeMark is the top bakery ingredient manufacturer and distributor in North America. Looking forward, the two industry heavyweights will deliver quality bakery products and services that promote healthier eating choices among consumers.

Angel Yeast and BakeMark will team up to introduce three product lines featuring over 40 products including:

Bakery mixes and icings

This product line includes bread mixes for bagel and sourdough, cake mixes, cookie and doughnut mixes, and decorative icings.

Custard, cheese, and Vienna cheese fillings

This product line offers rich, creamy, and tangy flavours, perfect for enhancing a variety of pastries and baked goods.

Jams and fruit fillings

This product line features apricot, raspberry, and strawberry jams, condensed fruit fillings, 55 to 70 per cent fruit content, and natural fruit fillings with a clean label.
