The company sets new standard with essential kitchen utensils to elevate professional culinary environments

The company sets new standard with essential kitchen utensils to elevate professional culinary environments

COSPRO USA, a provider of innovative and high-quality kitchen tools, introduced the 5-in-1 Salt & Pepper Grinder Set for commercial kitchens, restaurants, catering companies, culinary schools, and more. Designed for high-capacity and professional use, the 5-in-1 Salt & Pepper Grinder Set features five grinders for white pepper, black pepper, green pepper, red pepper, and salt.

â??COSPROâ??s salt & pepper grinders are more than just kitchen tools, they are versatile extensions of the chefs they serve, allowing precision flavouring, freshness and coarseness to enhance every dish,â? said Feng Wang, CEO, of COSPRO USA Inc. â??Our 5-in-1 Salt & Pepper Grinder Set delivers sophistication, functionality, and unmatched technology for environments that demand the best in their culinary endeavours.â?

The COSPRO 5-in-1 Salt & Pepper Grinder is packed with features to enhance and facilitate culinary operations including one-hand, one-button operation for efficiency, 5-level coarseness with LED light, durable ceramic grinding heads, top-fill design for easy refills, large visible food-grade silo, wireless charging, removable tray for simple cleaning, and an elegant and durable stainless-steel design.
