A popular concept cafe from Japan is here in Singapore.

Operated as "The Despicable Me 3 Cafe" in Japan at five "THE GUEST cafe&diner" outlets from July to September this year, the cafe will be having its very first concept pop-up outside of Japan. Reincarnated as the MINIONS CAFE, it will be located at Orchard Central. From Nov 23, 2017 to Jan 31, 2018, fans of the Illumination and Universal movie, "Despicable Me 3", can head there for delectable themed food and drinks.

Inspired by the characters and stories from "Despicable Me 3", the 14 items on the menu include Sâ??mores and Minionâ??s Ice Cream and Up-side-down Minion Jelly Soda Drink. Sounds yummy already!
