Athenos, the leading brand in feta cheese, and TajÃn, the top-selling chile-lime seasoning, are thrilled to announce their game-changing collaboration: Athenos TajÃn Feta Cheese. This innovative new product fuses the creamy, tangy flavour of Athenos Feta with the bright, zesty kick of TajÃn ClÃsico Chile Lime Seasoning to deliver a bold new flavour experience.

The partnership between Athenos and TajÃn proves that when two beloved brands join forces, the result can be extraordinary. After two years of development and testing, Athenos TajÃn Feta Cheese is now available just in time to enhance Cinco de Mayo menus and beyond. Crafted with versatility and convenience in mind, Athenos TajÃn Feta Cheese brings bold, global flavours to your table in seconds.

"At TajÃn, we're always looking for exciting ways to bring our bold, signature flavour to new audiences and their culinary experiences," said Haydee Fernandez, Director of Alliances at TajÃn USA International. "Partnering with Athenos to create a first-of-its-kind TajÃn Feta Cheese is a perfect example of how two brands can come together to deliver something truly special and a new way to add a vibrant, effortless twist to any meal, from tacos to your favourite salads."

Global cuisine continues to captivate home cooks who crave adventurous yet approachable ways to add international flair to their meals. Athenos TajÃn Feta Cheese is at the heart of this trend, blending Mediterranean and Mexican influences to transform everyday dishes into culinary masterpieces.
