

Fi Asia Indonesia 2026 Expands with New Halls and Exciting Opportunities for Industry Leaders

29 May 2026 | News

Fi Asia Indonesia 2026 offers exhibitors an unparalleled opportunity to connect with a diverse range of industry professionals

Fi Asia Indonesia 2026 offers exhibitors an unparalleled opportunity to connect with a diverse range of industry professionals

The organisers of Fi Asia Indonesia are proud to announce a significant expansion for the 2026 edition, set to take place from 16–18 September 2026 at JIExpo, Jakarta. The event will now span an impressive 11 halls with a gross exhibiting area of 35,000 square metres, marking a substantial growth that reflects the increasing demand and importance of the food ingredients and nutraceutical sectors in Southeast Asia.

Major Expansion Brings New Specialised Zones

Fi Asia Indonesia 2026 is introducing two groundbreaking additions that will transform the event into a more comprehensive platform for industry professionals:

Foodtech Equipment & Service Zone

Located in Hall C2, this new dedicated area will showcase the latest advancements in food technology and services. Exhibitors and visitors will have the opportunity to explore cutting-edge equipment, innovative processing solutions, and essential services that are driving the future of food production and manufacturing. This addition responds to the growing need for technological innovation in the food industry, where efficiency, sustainability, and quality are paramount.

Nutraceutical Indonesia 2026

The newly added Hall D2 will host the Nutraceutical Expo, a specialised zone dedicated to health innovation and functional foods. This exciting addition recognises the booming nutraceutical market and the increasing consumer demand for health-

focused products. The expo will serve as a premier platform for companies involved in dietary supplements, functional ingredients, health foods, and wellness products to showcase their innovations and connect with key industry players.

Unprecedented Networking Opportunities

Fi Asia Indonesia 2026 offers exhibitors an unparalleled opportunity to connect with a diverse range of industry professionals. The event attracts:

- Food and beverage manufacturers seeking innovative ingredients and solutions
- Healthcare product developers looking for cutting-edge nutraceutical ingredients
- Distributors and importers exploring new products for their portfolios
- Industry professionals from across the supply chain

The expanded format ensures that exhibitors can reach a broader audience whilst maintaining the focused, business-orientated atmosphere that Fi Asia Indonesia is known for.

Secure Your Position Today

With the significant expansion and addition of specialised zones, booth space at Fi Asia Indonesia 2026 is expected to be in high demand. Companies interested in exhibiting or exploring sponsorship opportunities are encouraged to act quickly to secure their preferred location and maximise their investment.

Exclusive Sponsorship Opportunity Available

In addition to exhibition opportunities, the organisers are offering an exclusive Sponsorship package. This premium sponsorship provides exceptional visibility and branding opportunities, positioning sponsors at the forefront of the attendee experience from the moment professionals begin their event journey.

For more information about exhibition opportunities, sponsorship packages, and to download the event brochure, interested parties are encouraged to contact the Fi Asia Indonesia 2026 team directly.

Why Visit Fi Asia Indonesia 2026?
