This World Chocolate Day, ITC Grand Central, Mumbai, invites guests to immerse themselves in the world of artisanal chocolate at its Fabelle Kiosk, where every creation is a celebration of craftsmanship, innovation, and indulgence. From thoughtfully curated gifting hampers to handcrafted dark chocolates, the collection promises an elevated chocolate experience for every palate.

At the heart of this year's celebration is the Fabelle Ensemble Hamper, beautifully presented and thoughtfully curated. The hamper brings together an exquisite assortment of Fabelle's signature handcrafted chocolates, making it the perfect gift for loved ones, corporate associates, or anyone who appreciates the finer things in life.

Adding to the celebrations is Fabelle's newest 64 per cent Dark Chocolate Collection, created for discerning chocolate lovers seeking bold flavours and exceptional craftsmanship. The range introduces three distinctive handcrafted dark chocolate bars Orange Eclipse, Cranberry Noir, and a No Added Sugar variant alongside Dark Symphony, a luxurious box of handcrafted no-added-sugar pralines featuring a refined blend of almond, macadamia, pecan, hazelnut, and pistachio. Crafted using premium single-origin Ghana cocoa and perfected through an extensive conching process, the collection delivers a rich flavour profile and an exceptionally smooth, velvety finish.

Every Fabelle creation is a testament to the brand's unwavering commitment to quality, artistry, and innovation, transforming premium ingredients into unforgettable chocolate experiences. Whether chosen as a thoughtful gift or a personal indulgence, each creation reflects the sophistication and excellence synonymous with the Fabelle name.
