

Tianyun appoints new members on board

31 December 2018 | News

Tianyun International Holdings Limited, a leading seller and manufacturer of processed fruits products in China, is pleased to announce that Mr. Yang Ziyuan will remain as the chairman of the Board and chairman of the nomination committee for a period of two years commencing from 1 January 2019.

All appointments will be with effective from 1 January 2019

Tianyun International Holdings Limited, a leading seller and manufacturer of processed fruits products in China, is pleased to announce that Mr. Yang Ziyuan will remain as the chairman of the Board and chairman of the nomination committee for a period of two years commencing from 1 January 2019.

Mr. Wang Hu, an executive director of Tianyun International, will be appointed as a member of the nomination committee and member of the strategic development committee. Mr. Liu Zhumeng, a non-executive director of Tianyun, and Mr. Ho Ho Tung Armen, the Chief Financial Officer and Board secretary, will be appointed as a member of the strategic development committee. All appointments will be with effective from 1 January 2019.

Mr. Yang Ziyuan, Chairman and CEO of the Group, said, "Sichuan Development International Holdings Co., Ltd. has become the single largest shareholder of Tianyun International since 22nd October 2018, not only does Sichuan Development give us a high recognition in our past performance, but also provide a positive view to the future development of the Group. With the new appointment, I will continue lead the core management team and aim at developing the Group into a sizeable and multinational food and beverage enterprise."

"We will work together with Sichuan Development to unleash the potential of the Group. Through exploring more diversified, top quality, high-end and specialized agriculture products and raw materials, we will research and develop new types of food and beverage products, better quality and technology on food safety, and new ways of processing different types of agricultural products," He stated.

"We will also increase our market share by expanding our international and domestic sales network, promote high-quality agricultural products to the world, create the high-end brand and realize a win-win situation for all parties," Mr. Yang Ziyuan added further.
